The Discount Commission, in special cases, has the right to apply the discounts specified in these Regulations to other programmes and to decide on additional discounts not mentioned in these Regulations, but they are valid only with the consent of the Financial and Administrative Director.

* If multiple discounts are applied to one student, each one is calculated on the basis of the previous discount. To calculate the total discount amount, a formula $(a + b - a * b)$ where $a - 1$ discount $b - 2$ discount, for example $a - 20\%$ $b - 25\%$ $0.2 + 0.25 - 0.2 * 0.25 = 0.40$ or $20 + 25 - 20 * 25/100 = 40$ is applied. If one student has several discounts then their total should not exceed 25%. The restriction does not apply to the discount "RISEBA-funded budget site", **The following discounts are not taken into account when calculating the maximum discount limit of 25% "Studies in English Language for Citizens of the Republic of Latvia and Permanent Residents", Discount "New Study Programme", Discount "RISEBA Advertising Competition", "Youth Academy" Discount, "Be a Leader" Discount, Discount "From Business Ideas to Business", Discount "Riga School Indoor Football Championship", Discount "Project Management Championship for Secondary School Students" Discount "Essay Competition" Student achievements** (study/creative/ research/scientific). The above discounts apply regardless of other discounts.

** Discount "RISEBA financed budget places" number of places are set for the 1st study year.

*** Discount "Alumni" and Discount "RISEBA Honorary Alumni" do not accumulate.
